

[MINO CASTLE]:

A DEFENSIVE POSITION THAT IS CONSIDERED EASIER FOR BEGINNERS, BUT STILL POPULAR WITH PROFESSIONALS, IS THE MINO CASTLE (MINO SAKU). THE KING IS PLACED IN A SAFE POSITION, WHILE THE THREE GENERALS WORK WELL TO BACK EACH OTHER UP. THIS IS SOMETIMES USED WHEN A PLAYER CHOOSES A BISHOP OPENING RATHER THAN THE ROOK-PAWN OPENING.

[NISEGA NI SENCHAKU]:

SACRIFICING A PIECE, LETTING THE OPPONENT PLUS UP THE KING'S ESCAPE ROUTE.

"It was you who wanted to play shogi! You lost and yet do not want to pay?"

"DON'T ACT BLUR!"

"Let's go before we're in trouble too..."

"Everyone's looking forward to today too."

"Takahashi's gang is acting strange as of late, isn't it?"

"Ah- Yashiki's being bullied again."

"Oh..."

"Ah!"

"It's a shogi board!"

BECAUSE,
I CAN ONLY
ESCAPE...

Why are
you called
Yoshi? For
You're just
a cowardly
cat!

Butter-
head would
we allow you
to escape?

I'M ONLY
GOOD IN
ESCAPING

It's autumn
now, running
without
your uniform,
aren't you
cold?

Wow!

Yah!

I'm losing my temper!
Leave! Don't tell me.
But there's no
one else I can
rely on.

Ha-

Ha-

Ha-

There's only I
can only
rely on! I only
have this left!

Ever since I
was born, for
25 years... there
has been no
fighting, not
even once.

During that
time, I could
only think
of I can only
rely on.

There
should be
no empty
moments.

Even if they come from both sides, I should be able to escape from this window.

If all 3 doors from the back door, I can escape from the front.

HA
HA
HA

You can't run during rain!

OH!

Drapel, running into a doorway
You jump to the other side to escape her!

SHOGI CLUB

How dare
you come
barging
in creating
a mess

Presuming
this is the
study club,
you still
dare to
come in!

Study
Study club

Captain,
Marina
Minori En
for you!

I'm also
the vice
president,
your I
Majima Toshi
[Other
color]

I'm the vice
president,
your I Yandei
Also, people
call me
[Golden
color]

Do you know
you just flipped
over our
captain's shogi
board!

If I had
known, I
wouldn't
have
returned
it.

Don't blame
me! Are you
all really from
the shogi club?

Explain the most important or prominent aspect in a particular field

Since Hama Sensei,
the captain who
is of the same age
as me, teachers
are also afraid of
her. Her nickname
that a [Dignified]
shogi
club-

It was said
that this is the
gangster's
hangout, the
shogi club is
known for
violence!

You're
suspecting
Baku!

Even though
my board
being pushed
is something
unforgivable.

Those who
restate shogi
are our
club's
enemy!
You should
be beaten
to death!

But what's
more
unforgivable
is you using
shogi as
a tool!

So, you
both play
a game,
right here.

Up master
who's the bully
or the bullied, it
will be settled
by the match!

The one who
lose will be
beaten by
our members.

Or a
SHOGI SAMURI?

This is the
pointless of
using shogi to
beat it?

I know I
will lose. I
don't want
to play and
I just learnt
how to play

Stop joking!
I'm being
bullied
because
I lost

Hah!

Those are
the words
you want
to say

Even worse than
by step forward,
Other general
moves one square
orthogonally
or one square
diagonally forward.
The rules are
and the same for
both sides.

Even if both
sides have
the same
number of
pieces, used
the same
moves

Even with
the King
being left
alone!

Haha!

Most importantly
find the chance
to capture
the king!

Without
even trying
out, you're
pathetic!

Faa-
Yaa-

Yaa!
Haha

Surround
these guys,
don't let
them run
away

Hmph

EVEN IF I FIND
THE CHANCE...
I'LL WIN?

SOON I'LL BE WITH THE KING AND EXHAUSTING HIM AGAIN!!

What?

What is that?

Why did you move the King out...

Retreating
your king is
probably too
early?

Fast!

Do you think
you are too
naïve just
like that?

HaHaHa -H

Clearly
not...
You know
how quickly
leading
with you is
understanding!

What
does
that
mean?

Getting ready
to run away?

Shades

We must
not only
know
how to
escape.
That's
an idea!

LIKE THIS...
I'LL WIN!

Idiot, now
it's the
Bishop
being
confined?
Hehehe~?

Ha...

Looking at
your pieces
I think
you can
take
my king

As? Oh
yeah,
you're
going up
right-

This is a
real good
general's
move!

The
LOSER
is YOU!

Er...
huh...
the
real loser
is...

Your King has
no place to
run, onto
your King
is taken,
you lost.

Hehehe
Oh you
lost, this
is a
Rebirth!

Right
This is
[Kigaba
(X Seachaka)]

Your King
can only
accept to
be killed
by the King.
Hehehe

No matter
how you
run, you
can't win
the board

Nigeba Ni Senchaku

I I
but?
Do want
This...

But I
really
have
no place
to run...

Can't
bel
But...

I...
I don't?

It can't be...
It can't!

I
WON!?

That...

THE ME
WHO
ALWAYS
LOSE...

What--

How--

I...
I WON
AGAINST
BIG...!?

This...
This...

TAAAAAAAAA

Hahaha—
we're in
your card!

Good luck!
Let
yourself
be stronger
in Shogi!

From today
you will be
taught by
your Real
Mentor!

Of course
you'll all be
a shogi club
member!

Learn from
us well, if
you think
we might
beat you
up!

As

I'll
polish
you up

Huh?

I... I
WANT
TO RUN
AWAY!

Huh?

Why am I
IN THE
CLUB?
CLUB?
